

# MERCER MANOR REHABILITATION

## CORPORATE COMPLIANCE PLAN

### I. INTRODUCTION

#### A. OVERVIEW

MERCER MANOR REHABILITATION's obligations to comply with all federal and state laws, rules, and regulations are paramount. This corporate compliance plan is designed to help MERCER MANOR REHABILITATION comply with those rules in accordance with existing guidance from the U.S. Department of Health and Human Services, Office of Inspector General, the statutory requirements of the Patient Protection and Affordable Care Act, as well as any state specific laws.

In response to laws requiring an effective corporate compliance program, the board of directors and senior management have adopted this corporate compliance plan and a Code of Conduct which are designed to emphasize to any and all owners, directors, officers, clinical staff, employees, independent contractors, consultants, and others working for MERCER MANOR REHABILITATION ("Associates") the importance placed on maintaining high ethical standards and compliance with all applicable laws. In addition to containing generally applicable standards and procedures, the goal of the corporate compliance program is to ensure that MERCER MANOR REHABILITATION adheres to all applicable Medicare and Medicaid laws, rules, and regulations related to the submission of claims. This includes, among other things, to ensure proper documentation of services, billing, coding, and claims submission, employee and independent contractor credentialing, and the prevention, prompt detection, and appropriate corrective action to detect, address, and prevent fraud, waste, and abuse.

Additionally, the corporate compliance program is designed to help Associates understand and meet the legal and ethical standards that govern MERCER MANOR REHABILITATION's business; to emphasize MERCER MANOR REHABILITATION's commitment to accurate and lawful documentation and submission of all claims for services to Medicare, Medicaid and other third-party payers; promote the prevention, detection, and resolution of any acts that do not conform to applicable federal and/or state laws, rules, and regulations; and minimize, through early detection and reporting, any potential loss to the government from erroneous claims as well as reduce MERCER MANOR REHABILITATION's potential exposure to damages and civil and criminal penalties that may result from noncompliance.

The corporate compliance plan is tailored to address specific issues of particular importance to MERCER MANOR REHABILITATION, and has been designed to establish the framework by which MERCER MANOR REHABILITATION will use reasonable efforts to ensure compliance with all such laws. It is emphasized, however, that an effective compliance program is a dynamic process and, accordingly, this compliance plan may be updated from time to time to meet the unique challenges facing MERCER MANOR REHABILITATION.

#### B. COMPLIANCE WITH THE PLAN

***a. Compliance is a key component of MERCER MANOR REHABILITATION's day-to-day operations and it is the responsibility of all Associates to use reasonable efforts to comply with all applicable laws, rules, and regulations as well as this Compliance Plan, Code of Conduct, and any MERCER MANOR REHABILITATION policies and procedures. Associates who fail to comply with the elements of this Plan may face disciplinary action, up to and including termination.***

b. Included within the corporate compliance plan are standards of conduct for all Associates. These standards of conduct shall be made available to all applicable Associates and periodically updated, as necessary. Associates are expected to sign

an acknowledgment verifying that they have received a summary of the plan, including the Code of Conduct (see attachment A), and are familiar with the contents and requirements.

## **C. SCREENING FOR EXCLUDED INDIVIDUALS AND ENTITIES**

No payment may be made by a Federal health care program for items or services furnished by an excluded individual. Companies that violate this ban may be assessed civil money penalties if the company knew or should have known an employee or contractor was excluded from Federal health care program participation.

The federal government strongly advises nursing facilities to screen all owners, officers, directors, employees, agents, and contractors (including, but not limited to, medical directors, physicians and other clinical professionals, vendors and suppliers) against the list of excluded individuals maintained by the OIG as well as the list prepared by the U.S. General Services Administration. Additionally, certain state laws require monthly exclusion checks these individuals as well. As part of its compliance program, MERCER MANOR REHABILITATION will screen as recommended by the government including all new employee hires and agent and contractor engagements. Furthermore, MERCER MANOR REHABILITATION will perform appropriate background checks on all potential MERCER MANOR REHABILITATION Staff and on all Contractors who have compliance-related duties, in accord with the policies set forth in the Compliance Policies and Procedures, MERCER MANOR REHABILITATION human resources policies, and MERCER MANOR REHABILITATION credentialing policies.

MERCER MANOR REHABILITATION will also undertake screening of its Contractors with compliance related responsibilities, as determined by the Compliance Officer or his or her designee, and require an affirmative statement in each such contract that the Contractor has not been excluded from participation in federal or state health care programs, and that the contract will terminate if such exclusion occurs. MERCER MANOR REHABILITATION will provide all such contractors with a copy of its Code of Conduct and applicable sections of the Compliance Policies and Procedures, and require compliance with the documents.

These efforts are in addition to – rather than in place of – reviews of the fundamental effectiveness of the program systems and structures and assessments of the overall success of the program in general, as well as each of its basic elements. MERCER MANOR REHABILITATION also recognizes the need for ongoing external auditing and monitoring to ensure objectivity in implementing, enforcing and updating a proper compliance program. As such, the Compliance Officer and the Compliance Committee may procure the services of independent third-party consultants, as needed. These efforts will help the corporate compliance program remain relevant and useful in effectively guiding MERCER MANOR REHABILITATION to achieve full regulatory and ethics compliance.

In this regard, all personnel must not only act in compliance with all applicable legal rules and regulations, but also strive to avoid even the appearance of impropriety. While the legal rules are very important, we must hold ourselves up to even higher ethical standards.

MERCER MANOR REHABILITATION does not, and will not, tolerate any form of unlawful or unethical behavior by anyone associated with MERCER MANOR REHABILITATION. We expect and require all Associates to be law-abiding, honest, trustworthy, and fair in all of their business dealings. To ensure that these expectations are met, MERCER MANOR REHABILITATION has prepared a comprehensive Code of Conduct and standards of conduct. In addition, as part of MERCER MANOR REHABILITATION's commitment to health care fraud and abuse and regulatory compliance, and in an effort to assist MERCER MANOR REHABILITATION's personnel in meeting their compliance obligations, MERCER MANOR REHABILITATION has established a Compliance Program. The Compliance Program is designed to implement the Code of Conduct and prevent violations of applicable laws and regulations and, where such violations occur, to promote their early and accurate detection and prompt resolution through education, monitoring, disciplinary action, and other appropriate remedial measures.

Because of the importance of the Compliance Program, we require that all Associates cooperate fully. All Associates will be given a copy of this Code of Conduct ("Code"), and will be required to review and become familiar with its contents. In addition to this Code, MERCER MANOR REHABILITATION will provide its employees with formal training regarding the Code of Conduct and Compliance Program policies. ## **I. CODE OF CONDUCT**

This Code of Conduct is intended to articulate general principles in order to provide guidance to Associates in their obligation to comply with applicable Laws and Regulations. The general principles contained in this Code, however, are neither exclusive nor complete. Associates are therefore expected to refer to MERCER MANOR REHABILITATION's compliance program, manuals, policies and procedures, as well as other relevant Laws and Regulations for further guidance. It is critical for all Associates to recognize that they are required to comply with all applicable Laws and Regulations, as well as MERCER MANOR REHABILITATION's compliance program, manuals, policies and procedures, whether or not specifically addressed in this Code of Conduct. Any questions regarding the existence of, interpretation or application of any law, regulation, rule, standard, policy and/or procedure that arise should be directed to MERCER MANOR REHABILITATION's Compliance Officer.

MERCER MANOR REHABILITATION has adopted the following Code as a central part of our compliance program. Everyone should adhere both to the spirit and the language of the Code, maintain a high level of integrity in their conduct and avoid any actions that could reasonably be expected to adversely affect MERCER MANOR REHABILITATION's integrity or reputation. Compliance with the Code is a condition of employment, and violation of the Standards (as defined below) will result in discipline being imposed, up to and including possible termination.

Nothing in this Code of Conduct is intended to, nor shall be construed as, providing any additional employment or contractual rights to Associates or other persons.

**A. HONESTY AND LAWFUL CONDUCT.** Associates of MERCER MANOR REHABILITATION, including all physicians who see residents at our facility, must avoid all illegal conduct, both in business and personal matters. In addition, Associates must comply with the Code and departmental compliance policies and procedures, strive to avoid the appearance of impropriety, and never act in a dishonest or misleading manner.

**B. COOPERATION WITH THE COMPLIANCE PROGRAM.** We require everyone to cooperate fully with the compliance program because the program is effective only if everyone works together to ensure its success and understands the requirements under the law and the Code. In particular, all departments, personnel, and physicians must cooperate with all inquiries concerning improper business, documentation, coding or billing practices, respond to any reviews or inquiries, and actively work to correct any improper practices that are identified.

**C. QUESTIONS AND CONCERNS.** Neither this Code nor our overall Compliance Program can cover every situation that you might face. As a result, if you are unsure of what the proper course of conduct might be in a specific situation, or if you believe that this Code or any compliance standards or policies (whether set forth in here or elsewhere) may have been violated, then you are expected to contact the corporate compliance officer, who can be reached at the facility.

You may contact the corporate compliance officer at any time, either in person, by telephone, or in writing, with any compliance-related question or concern you may have. Questions or concerns may be raised anonymously, if you wish. All reports will be held in the strictest confidence possible, consistent with the need to investigate the matter.

**D. NON-RETALIATION.** It is absolutely forbidden for any personnel to punish or conduct reprisals against anyone who has reported a suspected violation of a law or regulation or

any MERCER MANOR REHABILITATION policy. It is also forbidden for any personnel to punish or conduct reprisals against anyone who has participated or cooperated in an investigation of such matters. Retaliatory actions violate this Code and will not be tolerated.

## **II. CODE OF CONDUCT STANDARDS**

The Code provides a high-level overview of the expectations that MERCER MANOR REHABILITATION has for all its Associates. Because Associates will be responsible for complying with this Code, MERCER MANOR REHABILITATION has adopted the following standards of conduct (“Standards”) that all Associates are expected to follow. These Standards outline and summarize the basic concepts underlying MERCER MANOR REHABILITATION’s Code of Conduct and its compliance program. These Standards must be carefully reviewed and closely followed by all MERCER MANOR REHABILITATION Associates. Supplemental information relating to these Standards will be provided through periodic formal and informal training and educational programs. Additionally, many Standards are expanded in greater detail in MERCER MANOR REHABILITATION’s compliance standards and policies.

### **A. COMPLIANCE WITH THE LAW AND HIGH ETHICAL BUSINESS STANDARDS**

MERCER MANOR REHABILITATION operates in a heavily regulated industry and is subject to a large number of federal and state civil and criminal laws and regulations. Violation of these laws and regulations can result in harm to the public, severe financial penalties, exclusion from participation in government health care programs and – in some cases – criminal fines and/or imprisonment. MERCER MANOR REHABILITATION’s Code of Conduct and compliance program are designed to prevent and detect such violations. Accordingly, it is critical that all Associates comply with all applicable federal and state laws and regulations and with all policies and procedures that comprise the compliance program.

While one of the objectives of MERCER MANOR REHABILITATION’s compliance program is to educate all MERCER MANOR REHABILITATION Associates about the basic requirements of these laws and regulations, MERCER MANOR REHABILITATION does not expect any of its Associates to become experts in these areas. For precisely this reason, where an individual is not sure whether a particular activity or practice violates the law (or any of the compliance program policies), the individual should not – under any circumstances – “guess” as to the correct answer. Instead, the individual should seek appropriate guidance from his or her supervisor or the corporate compliance officer. MERCER MANOR REHABILITATION Associates will not be penalized for asking compliance-related questions. To the contrary, MERCER MANOR REHABILITATION is intent on creating a culture in which every individual is comfortable asking the questions necessary to ensure that he or she understands and performs his or her tasks and obligations in full.

The following is a list of legal compliance issues that can pertain to Associates. Specifically, Associates shall refrain from any illegal conduct including, but not limited to:

- a. Fraud Waste and Abuse. MERCER MANOR REHABILITATION expects its Associates to refrain from conduct that may violate any federal and state laws relating to health care fraud and abuse. Each employee and contractor is expected to: (1) maintain honest and accurate records of services provided; (2) follow current and applicable laws, regulations, and guidelines to facilitate proper documentation of services; and (3) take necessary steps to prevent the submission of claims for payment and reimbursement of any kind that are fraudulent, abusive, inaccurate, or medically excessive or unnecessary.
- b. Anti-Trust. Associates shall comply with applicable antitrust laws. There shall be no discussions or agreements with competitors regarding price or other terms for

product sales, prices paid to suppliers or providers, dividing up geographic markets, or joint action to boycott or coerce certain suppliers or providers.

- c. Licensure/Certification. All Associates that require licenses or certifications from state or federal agencies must comply with all licensure and certification laws applicable to MERCER MANOR REHABILITATION's operations. Such Associates are expected to participate in educational "in-services" offered by MERCER MANOR REHABILITATION and by various professional groups and associations, and to be familiar with the laws that affect their specific job duties.
- d. Tax. MERCER MANOR REHABILITATION and its Associates will truthfully and accurately report payments to appropriate taxing authorities, and will file all tax returns and other information in a manner consistent with applicable laws.
- e. Discrimination. It is MERCER MANOR REHABILITATION's policy to treat patients, employees, vendors, and contractors, etc. without regard to race, color, religion, sex, ethnic origin, age, disability, or any other classification protected by law. MERCER MANOR REHABILITATION recruits, hires, trains, promotes, assigns, transfers, lays off, recalls, and terminates Associates based on their ability, achievement, experience and conduct without regard to race, color, religion, sex, ethnic origin, age, disability or any other classification protected by law. No form of harassment or discrimination on the basis of sex, race, color, disability, age, religion or ethnic origin or disability or any other classification protected by law will be permitted. All Associates are responsible for ensuring that the work environment is free of discrimination or harassment due to sex, age, race, gender, color, religion, national origin, disability, or any other status protected under state or federal law. Each allegation of harassment or discrimination should be promptly reported to the compliance officer so that it can be investigated and appropriate action can be taken.
- f. Lobbying/Political Activity. Associates may personally participate in, and contribute to, political organizations or campaigns as individuals, not as representatives of MERCER MANOR REHABILITATION. Associates may not make any agreement to contribute any money, property, or services at MERCER MANOR REHABILITATION's expense to any political candidate, party, organization, committee, or individual in violation of any applicable law. Any attempt to influence the decision-making process of governmental bodies or officials by an improper offer of any benefit is absolutely and completely prohibited.
- g. Kickbacks, Inducement, and Self-Referrals. MERCER MANOR REHABILITATION and its Associates shall comply with all laws relating to kickbacks, inducements, and self-referrals. MERCER MANOR REHABILITATION and its Associates shall not knowingly offer, pay, solicit, or receive bribes, kickbacks, or other improper remuneration in order to induce business reimbursable by any federal or state government program including, but not limited to, Medicare and/or Medicaid. All Associates are required to report any gifts or other gratuities, other than those of nominal value, received from any outside source that would stand to benefit from the referral of business to MERCER MANOR REHABILITATION.

## **B. STANDARDS RELATING TO QUALITY OF CARE AND SERVICES**

- b. Mandatory Reporting. As part of its commitment to providing the highest quality of resident care and services, MERCER MANOR REHABILITATION complies with all applicable federal and state mandatory reporting laws, rules, and regulations. To this end, MERCER MANOR REHABILITATION will ensure that all incidents and events that are required to be reported are done so in timely manner, and will monitor compliance with such requirements. MERCER MANOR REHABILITATION will also comply with and have policies and procedures in place relating to the reporting requirements under the Federal Elder Justice Act.

MERCER MANOR REHABILITATION will accurately code and bill third party payors based upon medical necessity and supporting documentation. Periodic auditing and monitoring may be necessary to ensure full compliance by MERCER MANOR REHABILITATION. All Associates responsible for billing will be trained in the

appropriate rules governing billing and documentation and will follow all regulations governing billing procedures. MERCER MANOR REHABILITATION takes all reasonable steps to ensure that its billing software reliably and accurately codes and bills all services according to the most recent federal and state laws and regulations. Policies and training of coding and billing personnel shall focus particular attention to issues of medical necessity, appropriate diagnosis codes, prospective payment, consolidated billing, and individual Medicare Part B or Medicaid claims.

- b. Compliance with Federal and State Laws Regarding the Submission of Claims. All Associates shall comply with all applicable federal and state laws and regulations governing the submission of billing claims and related statements.
